(Law N°46/2012 OF 14/01/2013)

Communiqué:

Renewal Process

We are pleased to inform you that the Rwanda Allied Health Professions Council has implemented an Online Licensing System to facilitate the renewal of licenses to practice for allied health professionals. With this new system, you can conveniently renew your license from wherever you are, eliminating the need for physical presence at our office.

We believe that this Online Licensing System will greatly enhance the convenience and accessibility of our services for allied health professionals in Rwanda.

Please note that online renewal is only available for those with expired licenses. We encourage all allied health professionals to take advantage of this renewal option.

Your continued compliance with licensing requirements is essential to ensuring the quality and safety of healthcare services in Rwanda.

Thank you for your cooperation!

Major (Rtd) Jean Damascene Gasherebuka
